Dear Sir,

Sub: Safety Bulletin - Current Tense Situation in the Region

The reason of this Safety Bulletin is to make the civilian air travel safe by the flights operated by Kuwaiti Air Operator Certificate holders when flying into or over the Airspace Iraqi FIR and Iranian FIR due to heightened military activities and increased political tensions.

Operators operating to the above-mentioned Airspaces shall continuously monitor the security and safety of operations along the mentioned routes/airways and airports. Ensure that the provision of Air Traffic Services is applied throughout the flight in compliance with international standards. Also, monitor the NOTAMs pertaining to the flights specifically to the above-mentioned Airspaces.

The Kuwait DGCA and our Air Navigation Services are also in close monitoring mode and we will inform when any further actions from our side or in cooperation with the ICAO EUR and MID offices. The Kuwait DGCA highly appreciates all our Operators continuous support.

This is passed for your urgent information.

Sincerely yours,

President of Civil Aviation
