SAFETY INFORMATION NOTICE - 07/2020

Attn: The State of Kuwait AOC & POC Holders

SUBJ.: OPERATIONAL "HUMAN FACTOR" RISKS LINKED TO THE COVID-19 CRISIS

This Safety Information Notice is to provide **recommendations** to the Kuwaiti Air Operator Certificate holders and Private Operator Certificate holders, in order to support all Operators for the associated necessary change management. It aims to help increase awareness and to make the identification of possible hazards easier by providing non exhaustive examples of points considered at risk in view of the COVID-19 crisis.

Kindly find the attached "Safety Information Notice No. 3497-S-00", published by Airbus. This document is not designed to be exhaustive and Operators are encouraged to adapt it to their tasks and local conditions. Although this guidance has been developed by Airbus Helicopters, **it could be used for all flight operations.**

The Kuwait DGCA highly appreciates all our Operators continuous cooperation and we will keep you updated with the latest recommendations if and when necessary.

Sincerely,

DEPUTY DIRECTOR GENERAL
for Aviation Safety , Aviation Security & Air Transport Affairs

Eng. Emad F. Al-Jelwi
Deputy Director General For Aviation
Safety, Air Transport, Civil Aviation
Security Department
